Dedication

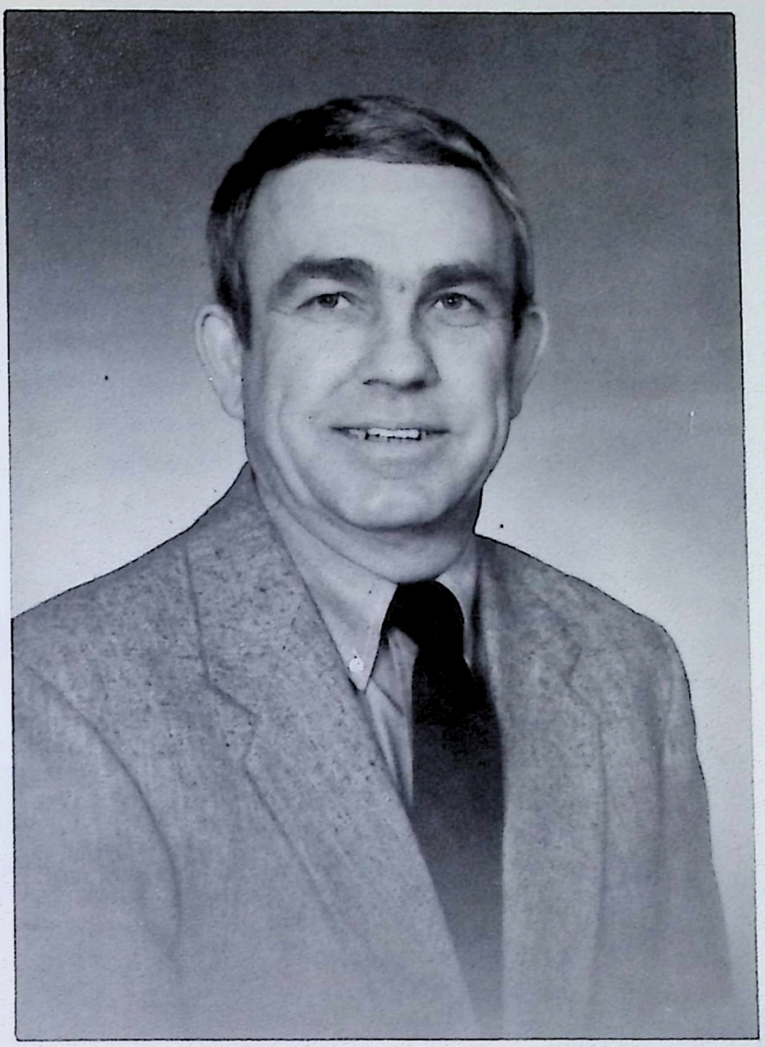
A great organization that has been chosen to have this page dedicated to them. They have contributed much of their time and money to help the NCSD sports teams to be successful. They sell snacks and drinks during the games, and are there to take up the money when fans come in to support us.

They are always encouraging new members to join and come out to support the games at home and away if possible.

They are very special people because they always come to support us no matter how deep in the hole we are. They are there to encourage us at all times. They are there to support us no matter what the weather is like. Rain, sleet, snow or shine, they are there to keep us going and motivated.

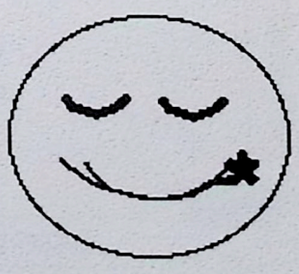
We, the Senior Class, recognize them for their support to the NCSD sports teams and thank them for their contributions and support. For these reasons, we dedicate our 1992 yearbook to the Booster Club.

In Memory

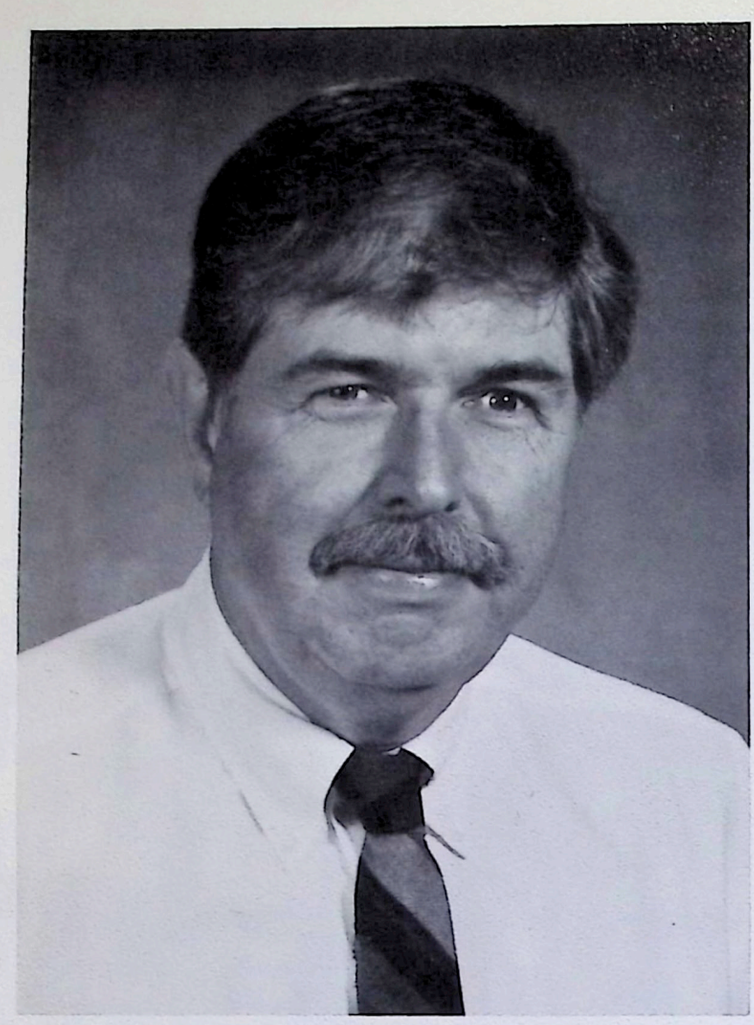


Mr. Edward Plemmons

In memory of Mr. Edward Plemmons, 51, died on November 5th, 1991. He was very dear to many people all over the North Carolina School for the Deaf campus. He was a friendly, strong, positive, christian man. He was a man who was always highly respected by students, staff and parents. We will always remember him for the things he said to us like "Jesus loves you." and signed "I love you." Every time you saw him, there was always be a big, sweet smile on his face. His smile will always be remembered. He always cheered up everyone in many wonderful ways because he was always in a good mood.



Superintendent



Mr. Elmer Dillingham
Superintendent

Mrs. Norida Arrowood
Secretary

To the NCSD Class of 1992

Congratulations! You are about to complete one of the major points in your life. Graduation from high school is a time for celebration. It is also a time for independence. Many of you will go on to college or into employment. Your future will be determined by your own decisions. Your success by your own actions. The staff of NCSD wishes you the best and we hope that each of you will enjoy life to its fullest. We also hope that you approach this new independence seriously. You will need all your skills and the things that you have learned to master your new world.

Best wishes to all of you and I hope that you will always be proud to be an alumnus of the North Carolina School for the Deaf.

Sincerely,

Elmer L. Dillingham, Jr.
Superintendent
